

## LEED Credit Information – Stainless Steel Partitions

As intimidating as LEED certification may seem, we know that a little extra help goes a long way. That's why AJW provides various products that can help you come closer to earning your LEED certification. While LEED doesn't certify products - using recycled, sustainable, and energy-efficient products earns you points in the LEED program.

The LEED Credit Information for AJW Stainless Steel Partitions is as follows:

- **Recycled Content**  
**MR Credit 4.1 & 4.2**
